

RIV3-365

Induction Range, 36", 5 Zones

Series 9 | Professional

This range leverages specialized cooking functions and clever technology to give you perfect results. An intuitive, high resolution touch screen makes it easy to use, and beautiful design details ensure that this range is the jewel of the kitchen.

Stainless Steel

Dimensions

Depth	29 1/8"
Height	35 3/4 - 36 3/4"
Width	35 7/8"

Features & Benefits

Cook with confidence

Our touchscreen interface provides an intuitive guided cooking experience that helps deliver perfect results, whether you've been cooking all your life or just starting out. Cook with a favorite method, a hero ingredient, or a go-to cooking function or recipe. The screen tilts for improved ergonomics and optimal visibility while cooking.

Generous capacity

Featuring a generous total capacity of 4.8 cu ft. Designed to spread heat evenly so you can easily create several dishes at once. The cavity is big enough to fit full size baking sheets.

Cooking flexibility

No matter what you're cooking, you've got the right heat to get perfect results. Each of the 15 oven functions have been extensively researched and carefully designed to cater to a broad range of dishes and cooking styles. The handy food probe helps you monitor your progress.

Cooktop power

Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer to perfection. Since most of the heat generated by the cooktop is transferred into cookware, induction offers an energy-efficient cooking option.

Design quality

This range has craftsmanship in every detail, with real stainless steel, high-quality glass, and beautifully weighted, halo illuminated dials. Each cavity features incandescent lights and full extension telescopic racks. From the robust legs to the powerful cooktop, this range is built to last.

Easy to clean

The oven features a self-cleaning function and self-clean proof side racks, which don't need to be removed when using this function. The durable induction cooktop surface only needs a quick wipe after use to keep it clean.

Specifications

Accessories

Adjustable feet covers	•
Branded coin end cap	•
Combustible situation (Sold separately)	BGRV3-3036H
Food probe	•
Minimum CFM	600-1200
Non combustible situation (Sold separately)	BGRV2-3036 / BGRV2-1236
Recommended hood (Sold separately)	HCB36-6_N / HCB36-12_N
Square handle option (Sold separately)	AH-R36

Cleaning

Main oven- Self cleaning	•
